

PURIFYING CLEANSING MICELLAR GEL

CLEANSING & MAKEUP REMOVAL PURIFYING - REBALANCING - REPAIRING

The Purifying cleansing micellar gel cleanses and removes make-up. It is formulated at physiological pH for combination to oily skins. Phycosaccharides from brown algae and red algae extract from Asparagopsis have sebum-regulating, antibacterial and repairing properties. Both ingredients act in synergy to blur imperfections for a smooth and clear skin. Its melting texture with apricot oily extract effectively removes impurities and makeup on the face, eyes and lips. The skin is clean, ready to receive skin care products.

CHARACTERISTICS

Tube of 3.38 oz.
Formulated for combination to oily skins.

20% of the total ingredients are from Organic Farming.
99% of the total ingredients are from Natural Origin.

Cosmos Organic certified by Ecocert Greenlife according to COSMOS standard.

Tested under dermatological control.

0% paraben, mineral oil, phenoxyethanol, lauryl sulphate, phtalates, aluminium, triclosan, benzophenone, alkylphenol, lialil, BHA, PEG, formaldehyde, silicones, endocrine disrupter, EDTA, ingredients from animal origin. No tested on animals.

ACTIVE INGREDIENTS

	INGREDIENTS	DESCRIPTION	BENEFITS
	ISOTONIC SEAWATER	Collected from a protected area from outside pollution, the sea water is filtered of all impurities and sterilized by microfiltration. Pure Seawater revitalizes and remineralizes the skin by a synergic diffusion of minerals and trace elements. Seawater at a perfect degree of salinity creates an isotonic environment for cells. Thus the concentration of water is similar in solute to that of the membrane of our cells. Cells will recognize the same concentration and take what they need in minerals and trace elements for an optimum effect. Through biomimicry, seawater increases the product's effectiveness by promoting the diffusion of active ingredients through the skin barrier.	Enhances the diffusion and action of other active ingredients Revitalizes Soothes Protects the skin
	APRICOT OILY EXTRACT	Blend of apricot kernel oil and a natural emulsifier, this active ingredient has a dual action. It is a gentle emulsifying cleanser enriched in unsaturated fatty acids that nourish and soften the skin.	Cleanses gently Removes make up effectively Nourishes in-depth
	BROWN SEAWEED SERUM	The brown algae serum is prepared from Ascophyllum Nodosum standardized in minerals content for a remineralizing and tonifying action.	Tonifies Remineralizes

	AQUAXYL® Glucose xylitol complex	Aquaxyl® is a complex Glucose-xylitol from vegetal origin. It reinforces and restores the barrier function of skin by stimulating the ceramides production. It also enhances the hydration rate of the epidermis by increasing the synthesis of glycosaminoglycans such as hyaluronic acid. Moreover, it smoothes the micro-grain of the skin.	Intense moisturization Reinforces the protective hydrolipidic film Plumps the skin
	MARINE PHYCO-SACCHARIDES FROM BROWN ALGAE	This ingredient based on marine sugars comes from patented biotechnology treating all cutaneous disorders linked to acne: excessive sebum production, spots and acneic lesions. Its anti-inflammatory propertie is associated with an improved skin repair and its antibacterial action reduces imperfections. The skin is clearer and has a smoth effect.	Regulates sebum production Reduces and blurs imperfections Smoothes the micrograin of the skin
	ASPARAGOPSIS ARMATA RED ALGAE EXTRACT	Organic compounds of silicium which can be found in Asparagopsis alga increase collagen production, proteoglycans and elastin for an enhanced firmness and elasticity of the skin. Asparagopsis alga has also antibacterial properties which help to reduce imperfections and purify the skin.	Reduces imperfections Purifies

INCI LIST

AQUA (WATER), MARIS AQUA (SEA WATER), ASCOPHYLLUM NODOSUM EXTRACT*, CAPRYLYL/CAPRYL GLUCOSIDE, GLYCERIN, XYLITYLGLUCOSIDE, XANTHAN GUM, BENZYL ALCOHOL, ANHYDROXYLITOL, APRICOT KERNEL OIL POLYGLYCERYL-6 ESTERS, XYLITOL, PARFUM (FRAGRANCE), DEHYDROACETIC ACID, GLUCOSE, PALMARIA PALMATA EXTRACT*, GERANIOL, SODIUM HYDROXIDE, CITRONELLOL, SODIUM BENZOATE, ULEX EUROPAEUS LEAF/ROOT/STEM EXTRACT, POTASSIUM SORBATE, LACTIC ACID.

BEAUTY RITUAL

First step of your beauty ritual in the morning and in the evening, apply the micellar gel on the face, neck, lips and eyes with a cotton pad. Its is not advised to rinse the micellar gel so that active ingredients can penetrate longer and more in depth into the skin.

In the morning for a gentle cleansing: apply the product evenly on the face with a cotton pad. Then apply the Instant Tensor Serum and the CC cream.

In the evening to remove make-up: Begin with the eyes, apply the micellar gel on the face with fingertips by massage on the eyelid to dissolve make-up. Then soak a cotton pad and remove the residues by pressing gently on the closed eyes. Repeat until the cotton pad is clean. Then remove the make-up on the lips by circular movements with a cotton pad. Finally remove the make-up on the complexion with a cotton pad delicately on the face: from the nose to the cheek,

from the nose to the forehead, from the bottom of the neck to the chin. The movement is from the inside to the outside. Repeat until the cotton pad is clean.

CERULE SKIN VALUES

Cerule Skin products are made with Pure seawater and algae from the island of Molène in Brittany, France; and belonging to the biosphere reserve of Iroise. A sustainable and ethical reserve, listed as a UNESCO World Heritage Site since 1989. All our ingredients are harvested according high quality standard and in respect of nature, the environment and biodiversity.
